

# NASAHFACS Training and Certification

## Microsoft Teams Virtual Meeting

July 28-30, 2020

Learn how to code Human Factors and mishaps, contribute to the agency database, and use the NASA Human Factors Analysis and Classification System (NASAHFACS) proactively in your program.

Register for the course in SATERN under "NASAHFACS Training and Certification" or "SMA-SAFE-OSMA-4009."
